MYSORE STATE LIFE INSURANCE.

Circular No. 19, *dated 15th September* 1894.

To—The District and Taluk Treasury Officers.

Numerous instances having been brought to the notice of this office of the refusal on the part of Treasury Officers to receive the first premium offered by an insured, on the ground that the policy has not been received into their Treasuries, and finding such refusal to be quite irregular and a source of future trouble to the insured in consideration of the operation of Rule 21 of the State Life Insurance, the Secretary to the Insurance Committee has the honor to issue the following instructions for the future guidance of all Treasury Officers :—

Whenever the payment of the first premium precedes the receipt of the policy into the Treasury, the Treasury Officer should see if the insured offering the premium is in possession of this office intimation informing him of the acceptance of his proposal and of the despatch of the policy to his Treasury. If this information is found correct, the Treasury Officer should at once receive the premium and credit it to the Fund reporting the fact to this office, if he is a District Treasury Officer, or to the District Treasury, if such officer is a Taluk Treasury Officer, and at the same time calling for the early transmission of the policy concerned.

On receipt of such policy, the Treasury Officer should give intimation of it to the insured, to enable him to receive it after furnishing the necessary receipt on Form No. 9.

The date of payment of the first premium should be inserted in the policy instead of the date on which the policy was delivered. *Vide* Rule 21 of the State Life Insurance.

In cases of transfer, the Treasury Officer should take immediate steps to transmit the policy to the District to which the insured has been transferred.

E. R. SUBRAYER,
Secy. to the Insurance Committee.
